

Grievance Redressal Committee:

Jain Institute of Technology, Davanagere has a Grievance Redressal system in the college for the students to lodge their grievances.

The **Collegiate Student Grievance Redressal Committee (CSGRC)** resolves the complaint from an aggrieved student relating to a college. This committee consists of Principal of the institution as a chairperson along with three senior members of the teaching faculty, student representatives and a special invitee nominated by the Principal.

The **Departmental Student Grievance Redressal Committee(DSGRC)** resolves the complaint from an aggrieved student relating to a Department level. This committee consists of Heads of the Departments as Chairperson, two Professors from outside the department, one faculty member from the department and a representative from the student community.

Various complaints including misbehavior, seeking or demanding financial favours, bribe, assault, academics related, Sexual Harassment etc. The complaint will be considered based on the principles of natural justice.
