CHAIRMAN'S MESSAGE

We are a school that prides itself not in fostering academic excellence but also in making our learners append at the school satisfying, fulfilling and joyous. I intend to take the JGI Group to the next level, employ more effective methods to make the students think differently and instil in them with positive attitude towards inclusive growth that benefits them and the society at large.

Dr. Chenraj Roychand Jain

Chairman, JGI Groups

Dr. Ganesh D B

Principal & Director
Jain Institute of Technology Davanagere

PRINCIPAL AND DIRECTOR'S MESSAGE

At JIT Davanagere, all our actions are directed towards imparting quality education through theoretical learning with the virtue of practical learning. Delightful learning happens here as we club academics with sports and cultural activity. Students are trained to excel in their carrier, share knowledge, have overall growth & emerge as leaders.

Department of Applied Science**INDUCTION PROGRAMME FOR FIRST YEAR STUDENTS****1ST DEC 2022**

JIT had organised Motivation Class on 2nd day of Induction Programme for 1st year B.E. students. Mr. Prashant Naik was the motivational speaker who explained on the Employability Skills and other aspects.

During this, all the faculties of Applied Sciences were present and gave some valuable instructions to the students.

INDUCTION PROGRAMME DAY-3**2ND DEC 2022****Seminar on Innovation and IPR for I Year B.E. Students**

JITD had organised two Seminars for 2 sessions. In the morning session, Dr. Mouneshachari, Professor and HOD, Department of CSE, JIT gave a talk on Innovation by addressing the 1st year B.E. Students. Before this, in the afternoon session, Dr. Santhosh Narajkar, Assoc. Professor and HOD, Department of E & E, JIT gave a talk on Intellectual property rights by

addressing the students.

INDUCTION PROGRAMME DAY-4**Seminar on Yoga Health & Academics****3RD DEC 2022**

JITD had organised a seminar on Yoga and health for the 4th day of the Induction programme. In the first session, Dr. Mahanathesh P Mattada, Associate professor, Department of ECE, JIT gave a talk on the advantages of Yoga and importance of health for the 1st year B.E. Students. In the second session, Dr. Madhukeshwara N, Professor and Academics Dean, Dept. of Mechanical Engineering, JIT gave a talk on Academics of 1st year Scheme and syllabus. During this, the Faculty of Applied sciences were present and they were also given some instructions to the students.

INDUCTION PROGRAMME DAY-5**Seminars on 'Campus interview and Outcome based Education'****3RD DEC 2022**

JITD had organised seminars on 'How to prepare for campus Interview' and 'Out come based Education' for the 5th day of the Induction programme. In the

Professor, Department of Placement Cell gave a talk for the 1st year B.E. Students on the Steps of Campus interview and How to crack it. In the second session, Dr. Santhosh Herur, Professor & HOD, Dept. of ECE, JIT gave a talk on Outbased education. During this, the Faculty of Applied sciences were present and they were also given some instructions to the students.

INDUCTION PROGRAMME-DAY 6 **Seminars on 'Counselling & Mentoring' and 'Exposure to Soft Skills using Computer' and Financepeer- 4th DEC 2022**

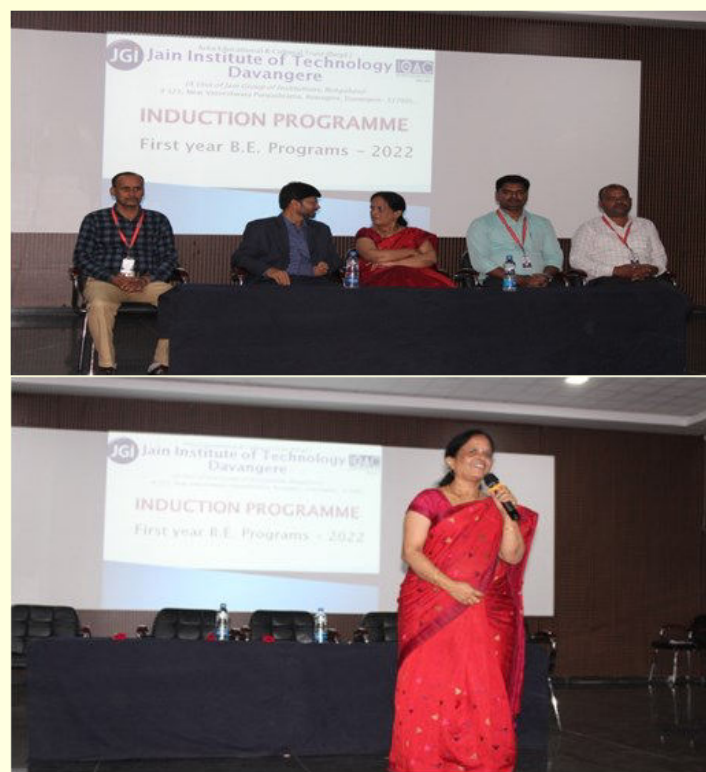

JITD had organised seminars on the topics 'Counseling & Mentoring' and 'Exposure to Soft Skills

using Computer' for the 6th day of the Induction programme. In the first session Dr. Preetha P S, Assistant Professor, Department of E & E gave a talk for the 1st year B.E. Students on the responsibilities of Counsellors and mentors. In the second session, Mrs. Latha Rani T R, Assistant Professor, Department of CSE and Mrs. Meghana G R, Assistant Professor, Dept. of CSE, JIT both gave a talk on 'how to exhibit soft skills using computers'. Along with this, a seminar was given by Financepeer on its schemes. During this, the Faculty of Applied sciences were present and they were also given some instructions to the students.

INDUCTION PROGRAMME-DAY 7 **7TH DEC 2022**

Seminars on 'Health & Stress Management' and

JITD had organised seminars on the topics 'Health & Stress Management' and NSS for the 7th day of the Induction programme. In the first session,

Mr. Veeresh Kumar KS Assistant Professor, Department of Mechanical Engineering gave a talk for the 1st year B.E. Students on the benefits of NSS. In the second session, **Dr. Shashikala Krishnamurthy**, Professor & Head, Department of Pathalogy, SSMS Hospital gave a talk on 'How to keep Physical and Mental Health'. Along with this, Social Development Officer and team of Smart city gave a talk and survey. During this, the Faculty of Applied sciences were present and they were also given some instructions to the students.

INDUCTION PROGRAMME DAY-8

8TH DEC 2022

Sports conducted for I year B.E. students

JITD had organised Sports for the 8th day of the Induction programme. Mr. Kotresh, Physical Director

ments were present and supported the students during today's inauguration of sports events in the JIT auditorium.

INDUCTION PROGRAMME DAY-9

9TH DEC 2022

Cultural Programmes for I Year B.E. Students

JITD had organised 'Cultural Events' for the 9th day of the Induction programme in the JIT auditorium. Mrs. Apoorva Rao M, Assistant Professor, Department of

Mathematics, JIT and Ms. S B, Assistant professor, Department of Chemistry JIT were anchored the

JIT guided the 1st year students about indoor and outdoor games. Students were keenly participated in the games. The sports coordinators from all the depart-

events. All students were keenly participated in singing, Dancing, Monoacting, Funny games, etc..During this, all other faculties and Non-teaching staffs were supported and encouraged for the event to become successful.

INDUCTION PROGRAMME DAY-10

10TH DEC 2022

Motivational Talk for 1st Year B.E. Students

JITD had organised 'Motivational Talk' for the 10th day of the Induction programme in the JIT auditorium. Mr. Prakash, DYSP, Davangere had addressed the students by his motivational Talk. Also, He expressed his opinion on some aspects of police department. Dr. Ganesh D.B., The principal and Director of JIT, Mr. Nataraj, The principal of JPS and First year coordinator Dr. Rajendra Prasad K.C were shared the stage. Students were interacted with him during the talk. Finally, some students of I year B.E. expressed their

opinions/feedback about the Induction programme as it is the end day. All faculties of Applied sciences were present in the programme.

Ist year B.E. Student's 'Pick & Speech' on

the Topic 'NEP-2020

16TH DEC 2022

Today, Department of Applied Sciences had conducted 'Pick & Speech' for the Ist year B.E. Students on the topic NEP-2020. Students were given speech very well. The Faculties of Applied Sciences Dr. Rajendra Prasad K.C., Ist year Coordinator, Prof. Nataraja G, HOD- Chemistry Department, Prof. Manjunath R S, HOD-Physics department and Dr. Ganesh N Y, Asst. Prof.- Chemistry department were conducted this activity.

National Mathematics Day' celebration

22ND DEC 2022

Today, Department of Applied Sciences had celebrated 'National Mathematics day' on account of birthday of a great Mathematician 'Srinivasa Ramanujan'.

The chief guest Dr. Prakash D G talked on the significance of MATHEMATICS. During this, Dr. Ganesh D.B., Principal and Director, JIT, Dr. Madhukeshwar N, Academic dean and Professor, Dept. of Mechanical Engineering, Dr. Rajendra Prasad K.C., I year Coordinator, Prof. Nataraja G, HOD- Chemistry Department, Prof. Manjunath R S, HOD-Physics department were present and shared the stage. Students were exhibited the models of mathematics. All the faculties of Applied sciences were involved and witnessed for the successful of the celebration. In the valedictory of the celebration, there was prizes distribution for the best three models of mathematics. And also, prizes for the good talks and other activities on the mathematics.

Blood donation camp organized

28TH DEC 2022

JITD had organised volunteer 'Blood Donation Camp'

dents. Faculty and HOD of MBA dept, Dr. Suhas donated Blood and received the certificate from the principal. Dr. Ganesh N Y, Asst. Professor, Dept. of Chemistry, Youth Red Cross programme coordinator, Prof. Veeresh Kumar, NSS coordinator, Dept. of Mechanical Engineering and Mr. Kotresh, Physical director were present and arranged the camp.

NBA external Mock Audit

29TH DEC 2022

in association with 'Chigateri Hospital '. During this, Students of JIT donated Blood in volunteer and get the certificates. Dr. Ganesh D.B., The Principal and Director, JIT issued certificates to the blood donated stu-

Department of Computer Science & Engineering.

Mock Aptitude Test 1ST DEC 2022

Placement Aptitude mock test was conducted for 7th semester students by **Clicks campus** training Institute through online mode. 65 students attended the mock test. Prof. Archana K N, Prof. Sameer B and Prof. Kotramma T S coordinated the mock test.

Industry Visit

2ND DEC 2022

The Department had organized industry visit to "Indian Space Research Organization ISRO, Bangalore" on 30/11/2022 for the 5th semester students. Prof. Latharani T R, Mr. Jagadeesh and Ms. Bindu N coordinated the industry visit.

Hasiru Usiru 5TH DEC 2022

Department of CS&E organised Hasiru Usiru event, plantation presentation competition and an education

on adoption of plants and plantation process, as per the VTU curriculum 21UH36. All the third semester students gave presentation on the plant they adopted. Prof. H S Saraswati coordinated the event. Dr. Mouneshachari S, Professor and Head of CS&E, Dr. LathaB M, Professor and Head of IS&E and Prof. Veeresh, NSS coordinator, Inaugurated the event. Prof. Veeresh Kumar KS, NSS coordinator, Dr. Prashantha G R, Prof. Meghana G R and Prof. H S Saraswati judged the presentation.

CICC Departmental Meeting for Girl Students

6TH DEC 2022

As per Instructions from College Internal Complaints Committee (CICC), Mrs. H S Saraswathi, CICC Committee member, Mrs. Manjula P, Departmental Coordinator along with all the lady staff members of CS&E conducted a meeting to all girl students of civil engineering department on 6/12/2022. In the meeting, issues such as grievances, facilities and problems related to them in college are discussed.

Debate Competition

6TH DEC 2022

Dr. Prashantha G R, Associate Professor, Department of CS&E and Prof. H S Saraswathi conducted Debate competition on "Use of Regional Language in the Engineering course" for the third semester students.

Ganakotsava 2022

10TH DEC 2022

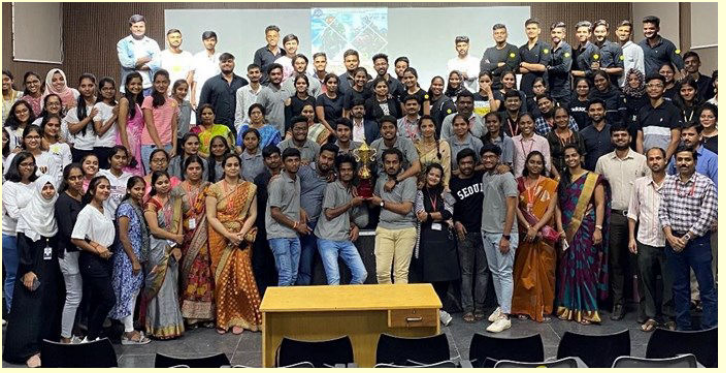

Department of Computer Science & Engineering, Jain

Institute of Technology, Davangere inaugurated Two days technical battle between nine mentoring teams called GANAKOTSAVA-2022, An Activity based Revolutionary Paradigm for Counselling process, on 9th December 2022. Dr. Shreedhara K S, Professor, UBDTCE was the Chief Guest and Mr. Basavaraj Doddamani, Senior Reporter TV9 was the Guest of Honour for the Inauguration of the event. Prof. Latharani T R, Co-Ordinator, Ganakotsava-2022, JIT and Dr. Suhas D, Head of MBA department, JIT chaired the event. Dr. Shreedhara K S addressed the gathering and gave the insights to the students regarding the importance of participation as an individual and

team work in the event. Dr. Mouneshachari S, Professor and Head, Dept. of CS&E, JITD highlighted the importance of counselling and motivated the students to actively participate in the event. Prof. Latharani T R briefed about the different events in the Ganakotsava-2022 and their importance

Skill Lab Inauguration

17TH DEC 2022

Skill Lab was Inaugurated in the JITD on 17-12-2022. The Chief Guest for the event was Dr. B E Rangaswamy, Registrar VTU, Belagavi, the Guest of Honour was Dr. Manjappa Sarathy, Director, Research and consultancy, SCEM, Mangalore and Dr. Sadhashiv Halbhavi, Special officer, VTU, Belagavi. Dr. Ganesh D B, Principal and Director along with dignitaries inaugurated the Skill Lab.

Department of Electronics & Communication Engineering.

Mock Aptitude Test

1ST DEC 2022

Online Aptitude test was conducted for the final year

students by Career Prime recruitment solutions, Bangalore in association with Placement and Training cell of JIT.

Interactive Session for First year Students

An Interactive Session for first year students was arranged in the Department of ECE. **Dr. Santosh**

Herur, HOD, Dept. of ECE addressed the students and gave insight into the department through his presentation. After the session students visited labs and got overview about the department.

Talk on Clicks Campus App Registration

8TH DEC 2022

Placement Officer Mr. Prakash C H and Dr. Prakash M Walvekar addressed the final year students of ECE

Dept. and gave information about the Clicks App and

its benefits in Campus placement preparation. **Dr. Santosh Herur**, HOD, Dept. of ECE and **Prof. Deepthi G B**, Placement Coordinator, Dept. of ECE was also present and guided the students.

Forum Inauguration and Fresher's Day

15TH DEC 2022

Inauguration of forum Encore was organized on 15th December 2022. The Chief Guest was **Ms. Pooja Boosnur**, Optimization Engineer in Production at Intel Corporation. She spoke about the challenges she faced

as a fresher and how she managed to reach such a top position .

Department of Electrical & Electronics Engineering.

Online Aptitude Test

1ST DEC 2022

Today morning from 10.30 to 11.30am online apti-

tude test conducted for 7th semester Electrical and Electronics students from Click Campus. All students attended the test and used this opportunity.

Social Connect and Responsibility

8TH DEC 2022

As a part of Social Connect and Responsibility course

department of EEE students adopted few plants and planted those in the college campus. Students enjoyed the plantation process.

click campus app usage

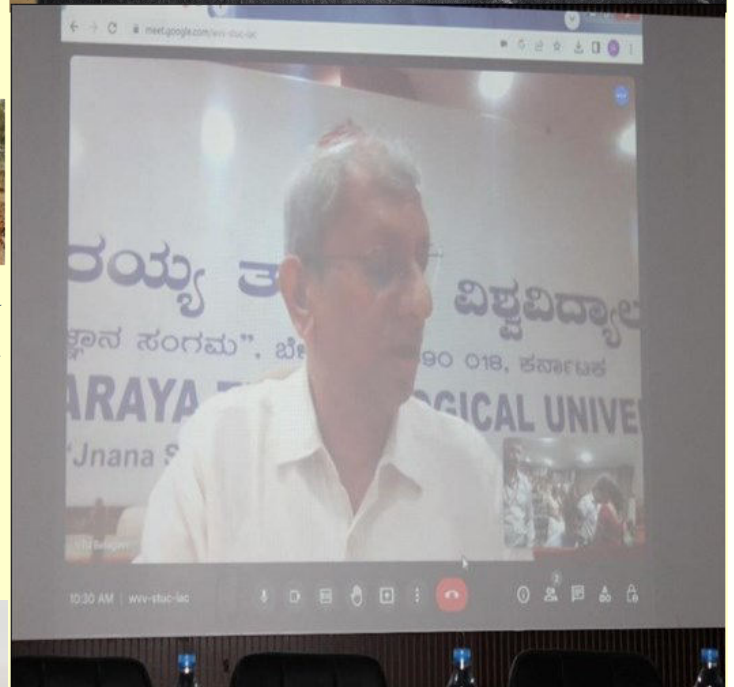

12TH DEC 2022

Placement officers addressed about click campus app usage for 7th semester students of Electrical and Electronics department on 10th December 2022. All students appreciated the use of technology and making use of opportunity.

Inauguration of VTU sponsored Faculty Development Program

13TH DEC 2022

VTU sponsored Five day Faculty Development Program on "Ability Enhancement Courses" organized by Department of E&E, JITD in collaboration with Department of EEE, SJBIT, Bangalore was inaugurated by lighting the lamp. Dr. S. Vidyashankar,

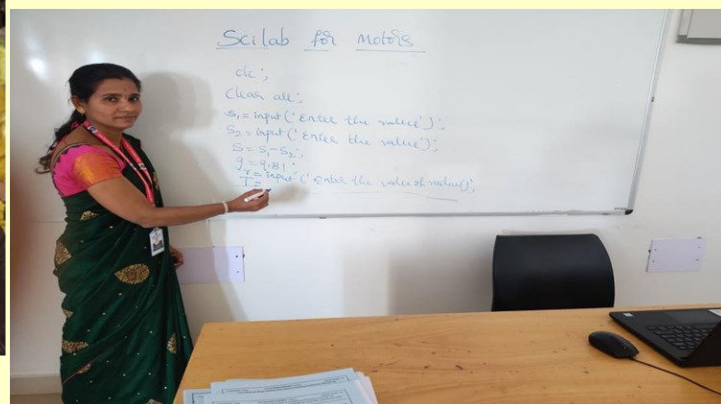

Vice Chancellor, VTU, Belagavi, addressed the participants & the audience regarding new education policy in virtual mode. Guest of honour Dr. Basavaraj V Madiggond, Chairman, BOS(EEE), VTU, Belagavi & HOD, EEE, HSIT, Nidososhi grace the occasion. Dr. Ganesh D B, Principal & Director, JITD honoured the guest. Convener & Head of EEE Department Dr. Santosh M Nejakar, Dr. Madhukeshwara N, Dean

Acaedemics, Coordinators Prof. Marulasiddappa. H.B, Prof. Preetha P S, Prof. Chetan H R & Heads of various departments Teaching & Non-teaching staffs and & participants of various colleges were present at the event. After the inauguration Dr. J P Sridhar, Associate Professor, Dept. Of EEE , SJBIT, Bangalore delivered a session on Introduction to SciLab and Xcos fundaments. Afternoon session was delivered by Mr. Mohan B S, Assistant Professor, Dept. Of EEE, SJBIT about Circuit Laboratory using PSPICE.

3RD day of Faculty Development Program 15TH DEC 2022

In 3rd day of VTU sponsored Faculty Development Program, morning session was delivered by resource person **Mrs.**

Sujata Eresimi, Assistant Professor, Department of EEE, JITD on “ Scilab for Electric Motors” followed by hands on session .

4th day of VTU sponsored Faculty Development Program
16TH DEC 2022

In 4th day of VTU sponsored Faculty Development Program, Morning session was delivered by resource person Dr. A B Raju, Professor and Head, EEE Department, KLE Technological University, Hubballi on use of Scilab XCos for electrical circuits and afternoon session was delivered by Mrs. Umarani T G, Assistant Professor, Department of EEE, JITD on “Scilab for Power Electronics” followed by hands on session.

Valedictory of VTU sponsored Faculty Development Program
17TH DEC 2022

The valedictory of Five day Faculty Development Program on “Ability Enhancement Courses” was done on 17 Dec 2022 at 11am in JITD auditorium. Dr. B. E. Rangaswamy ,Registrar, VTU, Belagavi was the chief guest. Dr.Sadashiva Halabhavi, Special office, VTU, Belagavi and Dr. Manjappa Sarathy, Director, Research and Consultancy, Sahyadri College of Engineering and Management, Mangalore were the guest of honour. Principal and Director of the institution Dr. Ganesh D B, Dr. Santosh M Nejekar, Convener, Dr.Madhukeshwara N, Dean Academics, Coordinator Prof. Chetan H R and heads of various departments, teaching and non teaching staffs and participants of different colleges grace the event.

Dr. B. E. Rangaswamy ,Registrar, VTU, Belagavi and Dr.Sadashiva Halabhavi, Special office, VTU, Belagavi joined the event virtual mode.

Forum Potenza Inauguration and Fresher's day - 2022

23RD DEC 2022

were present at the event. All the Teaching , non teaching staffs and students participated with enthusiasm. Toppers were given prizes during the event.

Today electrical forum Potenza was inaugurated and freshers day-2022 was also celebrated. Chief Guests Ms.Rachitha S A, Associate Software Engineer, Earnst and Young (EY GDS), Bangalore and Mr. Vishwanatha B G, Associate QA Engineer, Test Yantra Software Solutions, Bangalore gave information about job opportunities available for Electrical Engineers. Both the Chief Guests were the alumni of the department. Principal and Director Dr. Ganesh D B, HOD of department Dr. Santosh M Nejakar, Forum Coordinators Mr. chetan H R and Mr. Nandish B M

Department of Mechanical Engineering.
Online Placement Test
1ST DEC 2022

Online Placement test was conducted for Final year students of Mechanical Engineering on 01 Dec 2022 organized by Mr. Arasu M T, CEO and Founder Career Prime solution, Bangalore.

Interaction with First year students
1ST DEC 2022

As a part of the Induction program, Students of the first year Engineering are taken to the different Laboratories of Mechanical Engineering Department such as Internal combustion Engines laboratory, Design Lab and Fluid Mechanics and Machinery Lab and gave demo of the working of the Machines. They also gave a brief description of working principle of Engines, Hydraulic Machines and design lab equipments. All the teaching and non teaching faculty members had taken part.

“A technical talk on Design software's used in Automotive Industries”
2ND DEC 2022

Department of Mechanical Engineering , in association with CADD CENTRE conducted the forum event “A technical talk on Design software's used in Automotive Industries”. Resource person , Mr.Nitin Kumar S N, Senior Design Engineer at MERCEDES BENZ, gave insights on the topic. Dr. Rajaneesh N Marigoudar , Head of the department addressed the students. All final year and prefinal year students, & Faculties were present in the event. Mr. Shivayogi B H , Forum coordinator, organised this event.

Interaction with First year students
5TH DEC 2022

1.Mr.Madhu MT 2.Mr.Nagaraj.KU 3.Mr.Sreenivas R

programme.

2 DAYS BOOT CAMP ON UNIGRAPHICS

8TH DEC 2022

MECHTRIX, the forum of Mechanical Engineering

Department, Jain Institute of Technology, Davangere

in Association with EduCADD center, Organized 2 days workshop on Unigraphics design software tool on 8th and 9th of December 2022.

The workshop was started with inauguration by the principal Dr. Ganesh D B, Head of the department Dr. Rajaneesh N Marigoudar and the resource persons from EduCADD center Mr. Ganesh S T and Mr. Somsundar S K.

Dr. Rajaneesh N Marigoudar, Head of Mechanical engineering department, addressed the students and emphasized about the career opportunities for Mechanical Engineering students in automotive industries based on design software tools. And also he mentioned ample of job opportunities are there for skilled Mechanical engineers in Mechanical field even in this surge of IT jobs.

Dr. Ganesh D B, Principal and Director of Jain Institute of Technology, Davangere, addressed the students with his precedential speech regarding future trends and scope of Mechanical Engineering and suggested the students take up the skill development courses like design software's which helps to get the jobs in core Mechanical Engineering field. Mr. Shivayogi B H, Forum Coordinator, organized this event successfully and all teaching and non-teaching staff and all the students of Mechanical engineering department were present in the session.

MECHTRIX, the forum of Mechanical Engineering
9TH DEC 2022

Valedictory of two days BOOT CAMP on UNIGRAPHICS was held. Dr. Ganesh D B Principal and Director, Dr. Rajaneesh N Marigoudar, Head of the department, Mr. Somsundar S K, EduCADD, Mr. Shivayogi B H, Forum coordinator, Mr. Veeresh Kumar K S NSS officer, Mr. Vikas, Lab Instructor and all the registered students were present in the event.

Technical talk on “Outcome Based Education in Advanced Robotics Automation and Emerging Technologies”
19TH DEC 2022

Department of Mechanical Engineering in collaboration with Department of Electronics and Communication Engineering organised an forum event Technical talk on Outcome Based Education in advanced Robotics Automation and Emerging technologies.

Resource person Mr. Sudhir Sanna gave a talk on the particular domain. Head of the ME department Dr. Rajaneesh N Marigoudar and Head of ECE de-

partment, Dr. Santosh Herur were present in the event. Forum coordinators of both departments Mr. Shivayogi B H and Mr. Sharanabasaveshara H B had organised this event. All the students of Mechanical Engineering and Electronics and Communication Engineering departments took the benefit out of this event.

National farmer's day celebration
23RD DEC 2022

Mechanical Engineering Department of Jain Institute of Technology, Davangere in Association with NSS

Unit JIT, and UnnathBharthabhiyan Organized Activi-

ty Organic farming and waste management to the 2nd

24TH DEC 2022

Mr. Mohan Naik, Alumni and Member of CADD center, Davangere, addressed the students and conveyed

the information regarding career opportunities in Design softwares and also conducted the aptitude test for 5th semester students as a part of Forum event and placement activity and the session was organised by Forum coordinator Mr. Shivayogi B H.

Year Students of JIT as per VTU curriculum on the occasion of National farmers day.

Dr. Rajaneesh N Marigaudar, Professor & Head of Mechanical Engineering Department Enlightened the students regarding Social connect and Responsibility Subject as per VTU Syllabus.

Chief guest Mr. MahadevappaDidgi, Director Mirobi foundation, Davangere delivered a speech and Presentation on Organic farming and waste management.

Dr. Ganesh D B, Principal and Director of Jain Institute of Technology, davangere , Addressed the students with his precedential speech.

NSS Program officer Veeresh Kumar K S, Program Organizer Shivyogi B H, Mechanical Engineering Department, Heads of all Departments, Faculties and Students were present in the Program.

Forum Activity

Department of Civil Engineering

Interaction Session With 1st Year Students

1ST DEC 2022

As part of Induction program, Department of Civil Engineering has conducted Interaction session with 1st year Students. Dr.Rahul Patil, Head of Department, gave breif information about department to students. Prof.Harisha K Shave explained the students about Civil Engineering and its application in our daily life.Prof.Rohit Kumar.B.R, Prof. Raghu G M and Prof.Basavachethan G have explained students about various labs of Civil Engineering.Learning at Departmental Labs helps to develop visulaization necessary to enhance study in higher semesters. Laboratory instruction will contribute positively to their studies in upcoming semesters.

Carrier Prime- Placement Test

1ST DEC 2022

Carrier Prime has Conducted a Placement Test for

7th Semester students. Students of CivilEngineering have attended the aptitude test.

2ND DEC 2022

As part of Induction program, Department of Civil

Engineering have conducted Interaction session with 1st year Students. Dr.Rahul Patil, Head of Department, gave breif information about department to students. Prof.Harisha K S have explained the students about Civil Engineering and its application in our dai-ly life.Prof.Bharath H M have explained students about various labs of Civil Engineering. Learning at Departmental Labs helps to develop visulaization necessary to enhance study in higher semesters.

Laboratory instruction will contribute positively to their studies in upcoming semesters

5^H DEC 2022

City Perception Survey at JITD

7TH DEC 2022

Smart City India Limited Team have visited Jain Insti-

tute of Technology Davanagere to conduct City Perception Survey on 07/12/2022. Principal& Director, Dr. Ganesh D B and Dr.Rahul Patil, Head of Civil Department

The CADD Centre Davangere in co-ordination with Department of Civil Engineering gave Seminar on “Trending Software’s in Civil Engineering” on 16/12/2022 at JITD Auditorium . In the seminar Shilpa Representative, CADD Centre Davanagere explained students about various softwares and compared their uses in the civil engineering profession. Civil Students of all semesters have participated in the event.

have encouraged the survey by helping the team to take survey from the students of all the departments.

City Perception Survey is part of the Ease of Living Index seeking to directly capture the perception of citizens with respect to the quality of life in their cities. The survey will help government administrations understand the opinion of citizens and help improve service delivery and governance of cities.

Parents Faculty Meeting

10TH DEC 2022

De-

partment of Civil Engineering has organized the Parent Faculty Meeting on 10/12/2022. The parents of All Semester (7th, 5th, 3rd) students were called to discuss about student’s attendance status, marks in internals and also discussed about the student’s academic performance.

Trending Software’s in Civil Engineering

16TH DEC 2022

Institute Innovation Council (IIC-JITD)

IIC Achievements

6TH DEC 2022

Institute Innovation Council has released rank list of IIC 4.0 for the year 2021-22. Our Institute achieved 3.5 stars out of Five. The IIC is one which conducts many programmes aims at fostering the culture of Innovation, Ideation, Creativity, Design Thinking and Entrepreneurship in Colleges. Jain Institute of Technology is one among the top eight colleges in south India.

Management, Principal and IIC president, Dr. Ganesh D B, Vice President JITD IIC, Dr. Mouneshachari S, Heads of Various Department and IIC Convenor, Harisha K S congratulated the Organizers.

JITD Sports & Culture

Men's football tournament

5TH DEC 2022

Men's football tournament was held at JNNCE, Shimoga.

Mr. Likith Keny P I bearing USN 4JD21CS023, Mr. Manu M P bearing USN 4JD21CS025, Mr. Vinay

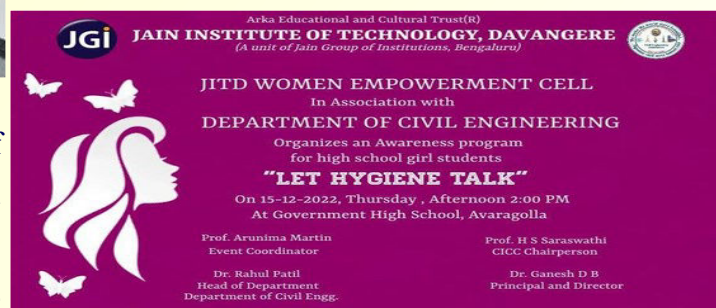

T S bearing USN 4JD21CS060, Mr. Prajwal B R, bearing USN 4JD21CS041 and Mr. Prateek P M bearing USN 4JD20CS033 participated in the tournament.

JITD WOMEN EMPOWERMENT CELL

“Let Hygiene Talk” – An Awareness Programme

15TH DEC 2022

The JITD Women Empowerment cell in association

with Department of Civil Engineering organized an awareness programme “Let Hygiene Talk” on 15/12/2022 at Government High School, Avaragolla. About 40 High School Students along with their teachers attended the session. The Awareness Programme turned out to be a grand success because of active participation of students in all the activities and games.

D B, Principal and Director have inaugurated the IP Cell and Conveyed the significance of IPR in the Career. JITD has also signed MOU with KSCST. Convenor & Dean of JITD-KSCST-IP Cell and HOD, E&E Department, Dr. Santosh M Nejakar, HOD's, Teaching, and Non-Teaching staffs and students of various departments were present in the function.

JITD-KSCST-IP CELL

Inauguration

27TH DEC 2022

KSCST IP CELL has Inaugurated in the Ground Floor within the JITD Campus on 27-12-2022. Chief Guest Prof. H. Hemanth Kumar (Executive Secretary, KSCST, IISc Campus, Bengaluru), Guests of Honour Dr. Manjappa Sarathi (Director, Research and consultancy, SCEM, Mangalore) and Mrs.Prabhavathi Rao (Visveswaraya Trade Promotion Centre, Facilitator, Intellectual Property Initiatives, DIC, Bengaluru, (GoK), Speaker Mr. Nagarjuna M G (Project Associate, KSCST, IISc Campus, Bengaluru) and Dr. Ganesh

**Department of Training & Placement
Cell**

Mock Aptitude Test
1ST DEC 2022

On dated 1-12-2022 Career Prime Recruitment Solutions, Bangalore Conducted Pre assessment test on aptitude, reasoning, Verbal ability for all the branches of 7th semester 2023 batch students at Jain Institute of Technology. The purpose was on mapping of students and to do analysis on the result of pre assessment test for each student.

Orientation Programme for I year students
12TH DEC 2022

The training and placement cell in association with Vijaya Karnataka organized an orientation session on communication skills and body language for the 1st year engineering students.

Memorandum of Understanding

14TH DEC 2022

On dated 14-12-2022 Jain Institute of technology, Da-

vangere signed a Memorandum of Understanding with Rubicon Skill Development Pvt. Ltd., Pune. The purpose of MoU is to establish centre of excellence to enhance employability of students, Internship, Certifications, Technical Skills Projects and finally Placement to Students.

Placement Awareness Programme
14TH DEC 2022

On dated 14-12-2022 Mr. Arasu M T, CEO of Clicks

Campus, Bangalore, addressed the first year, second year and third year students on Centre of Excellence along with Click Campus mobile app, Internship and placements.

Overseas education

20TH DEC 2022

Department of training and placement cell arranged a session on awareness about overseas higher education from K C Overseas education, Chitradurga on dated 20-12-2022 from 12 noon to 1.30 pm at JIT Auditorium.

Dr. Prakash M Walavalkar welcomed the resource persons from K C Overseas education. Mrs. Savitha K C Chief overseas education consultant and Mrs. Roopa Managing Director from K C Overseas Education addressed seventh semester students of 2023 batch on Selection of Country, University Selection, Specific course selection, End to end processing of application, Scholarship facilities, Education loan, Writing SoP, VISA assistance and Pre departure Guidance. Dr. Prakash C H addressed about Statement of purpose and concluded the session by vote of thanks.

Interaction with Civil & Mechanical Students

26TH DEC 2022

Dr.Prakash M Walavalkar and Mr.Prakash C H,

Placement Cell have visited and interacted with 7th semester students of department of Civil Engineering and created awareness regarding the free usage of click campus app which would benefit them to enhance their employability skills.
