The college has a team of well experienced, dedicated faculty & strong students counseling system in which each student will be attended individually with special care in academics and other co-curricular activities.

For over 23 years, Jain group of Institutions (JGI) has been successfully extending it's educational services to the community. As it has been the tradition of Jain group of Institutions, Jain Institute of Technology at Davanagere will excel in the field of technical and management education. Our aim is to provide the highest quality of educational experience for students from every walk of life. We want to ensure that our students are well equipped for their careers, professionally, intellectually, and culturally allowing them to make them most of experience and prepare themselves in the best possible way for their future.

| *Dr. Chienraj Roychand, Chairman, JGI*

In this era of globalization, it is the young power of India which will place India on the global map. We live in a seamless techno world, where opportunities really have no boundaries. JIT has drawn the essence of tradition and advantages of modernization for academic excellence under the guidance of committed facilitators and the support of the best infrastructure. JIT has become a synonym for profound academic excellence in a short span of time. In an every evolving world filled with new challenges and new revolution, our students will successfully meet the demand for multi disciplinary skills by reducing gap and creating winners all the time.

| *Sri. Achalchand Jain, President, JIT*

Associating with JGI gives me sense of inspiration and happiness. JGI group is serving the society for 25 long years through its educational services and started Jain Institute of Technology, Davanagere in the year 2011. At JIT, Davanagere, all our actions are directed towards imparting quality of education through theoretical learning with the virtues of practical training. Delightful learning happens here as we club academics with sports and cultural activity. Students are trained to excel in their careers, share knowledge, have overall growth and emerge as true leaders. Welcome to Jain institute of Technology Davanagere. Celebrate and share your growth as an individual and as a leader.

| *Dr. Ganesh D.B., Principal & Director, JIT*

There are many private MBA Colleges in Davangere, but MBA at Jain Institute of Technology stands out with its distinguished uniqueness. It is a perfect platform to polish one's skills and also nurture their talents. We have the best faculty team who provide a 360 degree support to the students, any time possible. I am always proud to say that I am an alumnus of MBA at JIT.

I strongly believe that Jain Institute of Technology is one of the best colleges in Davangere. These two years were the amazing years of my life. We were blessed with the best professors who guided us throughout. Jain Institute of Technology also provided study material which proved very beneficial for us. The best part was the time of festivals. 'SHRUNGA' was a great platform to showcase our skills. Organizing events and making them successful was the biggest contributor in my life.

Teaching at Jain Institute of Technology is focused on figures and facts than on the text-book based knowledge transfer. Faculty members focused to get every individual into corporate reality. We have presentations to make, case-studies to solve, analyses to present, debate with right dialogue and many more.
