Patents Details

Sl. No	Topic	Author Name	Patent Number	Application Date	Status
1	AI Based Smart Meter for Water Utilization and Quality Monitoring Using IoT	Nejekar Santosh M	2021105136	20/04/2022	Granted
2	AI Based Hybrid Aircraft for Medicine Deliveries in Remote and Disaster areas using IoT	Dr. Santosh M Nejekar	202141061347	28/12/2021	Published and Granted
3	AI Based smart meter for Munciple waste water treatment by electrochemical technique & Quality Monitoring using IoT	Dr. Santosh M Nejekar	202241010481	27.02.2022	Published
4	Data Driven Approaches for Cyber Defense of Battery Energy Storage	Prof. Nandish B M	202141052091 A	26/11/2021	Published
