**Dr. Chenraj Roychand Jain**  
Chairman, JGI Group, Bangalore

We are a school that prides itself not in fostering academic excellence but also in making our learners spend at the school satisfying, fulfilling and joyous. I intend to take the JGI Group to the next level, employ more effective methods to make the students think differently and instil in them with positive attitude towards inclusive growth that benefits them and the society at large.

**Dr. Ganesh D B**  
Principal & Director  
Jain Institute of Technology Davanagere

At JIT Davanagere, all our actions are directed towards imparting quality education through theoretical learning with the virtue of practical learning. Delightful learning happens here as we club academics with sports and cultural activity. Students are trained to excel in their career, share knowledge, have overall growth & emerge as leaders.

## Department of Placement and Training

### Placement Training Program

The **Department of Placement And Training** organized **Placement Training program** for the 7<sup>th</sup> semester students of all branches. The Program was inaugurated on 24<sup>th</sup> August 2022 in JITD Auditorium. After the inauguration, the training program started its first session for Civil Engineering and Computer engineering students in JITD Auditorium; for Electrical and Electronics engineering, Electronics and Communication Engineering students in E&E seminar hall; for Mechanical Engineering students in Mechanical Department Seminar hall. The session was handled by **EduRapid** through online platform from 10.30AM to 11:30AM and guided students about some aptitude topics. The afternoon session was handled by **Mr.Prashanth Naik** in offline mode and guided students regarding Importance of Soft Skills.

## VISION OF THE INSTITUTE

**Technical manpower development to build professionally excellent, globally competitive, socially responsible engineers and entrepreneurs with human values**

## MISSION OF THE INSTITUTE

- ◆ *To provide quality education through innovation in teaching to create technologically competent engineers.*
- ◆ *Achieve excellence in research and development to advance science and technology to the ever changing needs of society.*
- ◆ *To create outstanding professionals capable of working in multi-cultural environment.*
- ◆ *To produce quality engineers with high ethical standards and professionalism.*
