

ABOUT THE IQAC – INTERNAL QUALITY ASSURANCE CELL

The Internal Quality assurance cell (IQAC) has been established in the college. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in overall performance of the Institutions. The IQAC has become a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

The objectives of the IQAC

- To ensure continuous improvement in the entire operations of the Institution.
- To ensure stakeholders connected with higher Education, such as, parents, teachers, and staff, would be employers, funding agencies and society in general, of its own quality and probity.

Benefits of IQAC

IQAC will facilitate:

- a) To ensure a heightened level of clarity and focus in institutional functioning towards quality enhancement and Excellence in Higher Education.
- b) To promote measures for the functioning of the Institution towards quality enhancement through initialization of quality culture and Institutionalization of best practices.
- c) To provide a sound basis for decision making to improve Institutional functioning.
- d) To act as a dynamic system for quality changes in the Institution.
- e) To build a better internal communication.

Functions of IQAC

1. Development and application of quality benchmarks/parameters for the various academic and administrative activities of the Institution.
2. Arrangement for feedback responses from students, parents and other stakeholders on quality-related processes of the institution.
3. Dissemination of information on the various quality parameters of higher education.
4. Documentation of the various programmes/activities leading to quality improvement.
5. Organization of workshops, seminars on quality related themes and promotion of quality circles.
6. To organize capacity building Program's.
7. Preparation of departmental action plans and reports.
8. Encouraging the students and staff members to take-up research work actively.
